RFID JOURNAL AWARDS

The **RFID Journal Awards** recognize companies that have distinguished themselves by their successful use of radio frequency identification (RFID) or other Internet of Things (IoT) technologies, or the introduction of a valuable new RFID/ IoT product or services.

Each year, RFID Journal selects an independent panel of judges to evaluate entries and choose the winners. Review award categories and more information at rfidjournalawards.com.

The RFID Journal Awards ceremony will take place at RFID Journal LIVE! at 1PM on Thursday, May 11, in the exhibit hall.
